Agenda: G. Soros' "International Network

1 - We need to optimise the business

2 - I agree that we can't exploit it to the full.

3 - There's still some juice to be milked

4 - We already have online casinos and crypto-currencies

5 - I suggest porn, sex toys and poppers

6 - And the sale of relics:

Alain S.'s ass hair and Di M' M's foreskin

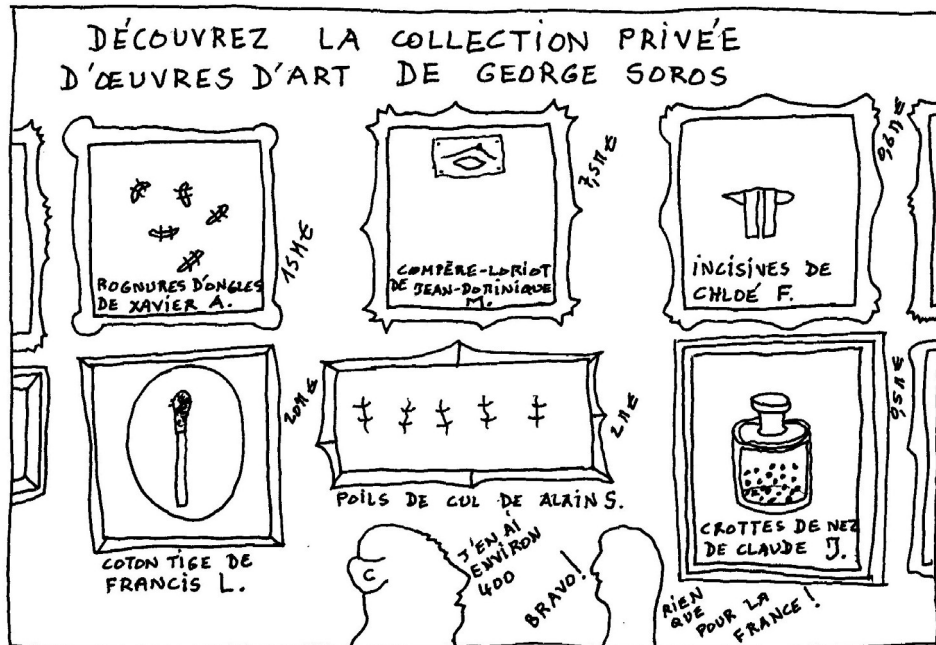

G. Soros recruits: anti-regime influencers on Tiktok

Performance-based income of up to €500K per year and more
Fact sheets and talking points provided: Zionism, New World
Order, vaccines, child welfare, cost of living, chemtrails, 5G,
and all others

Qualities: native hypocrisy, profit motive, lack of empathy,
bullshitter, lack of moral compass, taste for exhibition and
deception.

They are legion
