PLANET CHANGE

- VIEW FROM PLANET EARTH APRIL 2023 -

EVERYTHING
HAS TO CHANGE
FOR NOTHING
TO CHANGE

We exchange your national currency for yuan, and at the end of the year we do the balance sheet, if it's negative you pay me the difference in your government bonds, then you pay me interest, you pay back the capital after 10 years, and if you don't manage to do that you give me a port, a mine, or even 10,000 hectares of good land for grain ...

AND YOU CAN ALSO GIVE ME
YOUR WIFE!
AND YOUR CHILDREN

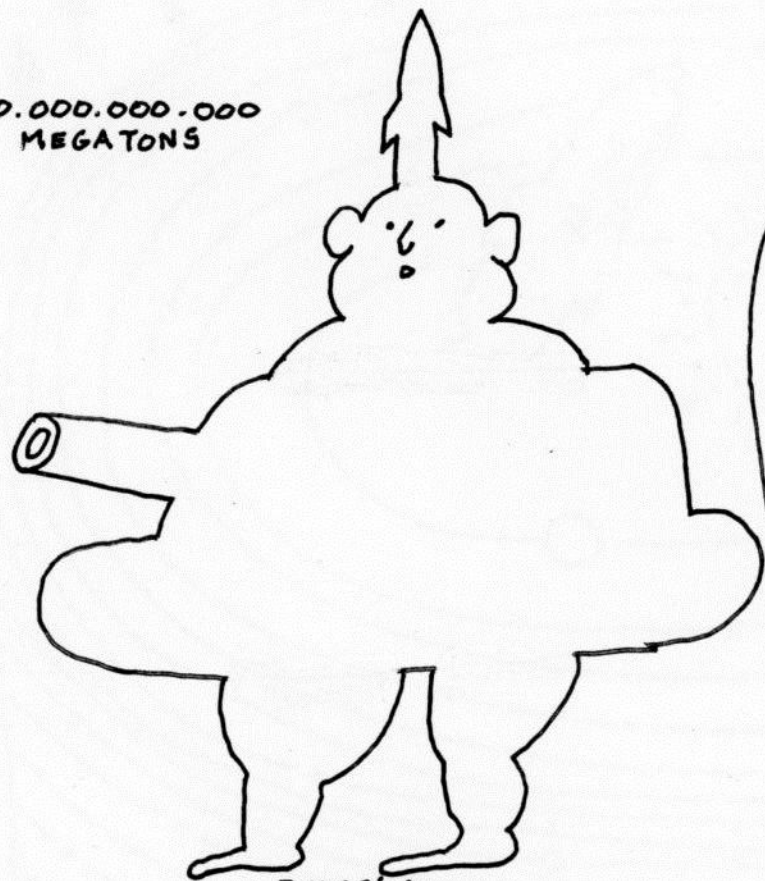

On échange en ta monnaie nationale contre des yuans, et à la fin de l'année on fait le bilan, si c'est négatif tu me payes la différence en obligation de ton état, tu me verses ensuite des intérêts, tu rembourse le capital au bout de 10 ans, et si tu n'y arrives pas tu me donnes un port, une mine, ou encore 10 000 hectares de bonnes terres à céréales ...

ET TU POURRAS AUSSI ME DONNER TA FEMME! ET TES ENFANTS
